ACT

Reverse Advent Calendar – daily gather a non-perishable grocery item or an article of clothing you no longer need into an “Advent” box to give away to the food bank or Fellowship Center

During this time of Covid, respecting Covid guidelines, leave notes or pre-packaged snacks for neighbours whose family may not be local or who may spend a lot of time alone.

Write notes of gratitude to family members you are unable to be with this season – thank them for their beauty, for the gifts they have blessed your life with.

**Advent increases our hope, a hope which does not disappoint. The Lord never lets us down.
- Pope Francis**
